

ANTIOXIDANTS VS. FREE RADICALS

Nature's superpower.

Elixir

ARCTIC BERRIES AND HERBS

Elixir combines nature's superpowers. Six berries and four potent herbs form a unique combination. Protecting your cells against free radicals is the cornerstone of your overall well-being. By enjoying this delightfully refreshing natural super product, you can make sure that your cells are protected every day of the year!

ELIXIR: INGREDIENTS

Cranberry
Blackcurrant
Sea buckthorn

Crowberry
Lingonberry
Bilberry

Milfoil
Nettle

Roseroot
Angelica

A NUTRIENT RICH COMBINATION

We chose six nutritious berries for Elixiras well as four strong herbs. Read more about the health benefits of berries and herbs on our website.

INCLUDING BERRY SEED OILS

Did you know that a berry's nutritious seed oils do not absorb without being opened mechanically? In the Elixir manufacturing process, the berries are opened and the valuable seed oils are used as a part of the rare combination of nutrients.
