NOVA

VIVID RADIANCE ELIXIR

A Finnish, science-based three-step skincare routine that works beneath the surface.
Developed together with Finnish university researchers. **NOVA** utilizes a patented combination of raw materials that delivers vitality deep into the skin's renewing layers and visibly improves skin condition.

NOVA 1 prepares, **NOVA 2** acts, **NOVA 3** protects. Together they treat, repair, and renew.
Natural NOVA is more than beauty – it is the skin's vitality.

FACE CREAM
THE FINISHING PROTECTIVE LAYER THAT LOCKS IN SKIN WELLNESS

NOVA 3 crowns your skincare routine. This cream contains carefully selected bioactive compounds that strengthen the skin's functions and support its natural renewal.

It locks in moisture and nutrients while forming a protective barrier against external stressors.
