NOVA

VITALITY ACTIVATION SERUM

A Finnish, science-based three-step skincare routine that works beneath the surface.
Developed together with Finnish university researchers. **NOVA** harnesses a patented BT, B13 and GPE complex that brings vitality deep into the skin's renewing layers and visibly improves skin condition.

NOVA 1 prepares, **NOVA 2** acts, **NOVA 3** protects. Together they treat, repair, and renew.
Natural **NOVA** is more than beauty – it's skin health.

SERUM

TOWARDS VITALITY AND EFFECTIVE RENEWAL

This concentrated serum is packed with active compounds that deliver bioactive ingredients deep into the skin's renewing layers, supporting skin vitality, regeneration, and cellular well-being.

NOVA 2 awakens your skin's energy flow and prepares it to radiate youthfulness.

PRODUCT INFO 01 / 2026 / EN
