ENJOY VITALITY. LIVE A RICHER LIFE!

## SOLUNI BOOSTER – GIVE YOUR BODY NEW VITALITY

*This exceptional product combines two nature's wonders that grow in extreme conditions on either side of the world: the noni fruit and the lingonberry. Studies have shown that the amino acids in the noni fruit and the lingonberry complement each other in a unique way, further enhancing the effects of the product.*

### Noni fruit

Already for thousands of years, Noni has been considered to be the most important health-promoting plant in ancient Polynesian culture.

#### Noni fruit

Noni trees push their roots deep into lava, and acquire a wide variety of minerals from there. In our products, we only use noni fruit that has been hand-picked from trees.

Enjoy a new kind of vitality.

Natural Cell Support+

### Lingonberry

Lingonberry is a small, ruby-red source of vitality from the northern forests – fresh, tangy and full of nature's own attitude. A bright and berry-rich addition to your daily wellness routine.

#### Lingonberry

Even on itself, the lingonberry is a super-berry, but combined with the effects of the noni fruit, it is absolutely unbeatable! In the wild, it grows in tough conditions, storing energy and vitality.
