

We need fat

60 % of our brains is made of fat. We have about 10^{16} cells in our body. Cell surfaces are made of fat. Every second, more than 5,000,000 new red blood cells are generated.

The fatty acid metabolism in the human body requires many different fatty acids, triglycerides and other nutrients.

SOLUNI

ENJOY VITALITY. LIVE A RICHER LIFE!

SOLUNI OILS – ACTIVE AND WELL-BEING EVERYDAY LIFE

The nutrient-rich and vital combination of blackcurrant, sea buckthorn and fish oil. Soluni Oils is made of fatty acids, their precursors as well as the roseroot and rosemary that enhance their effect. You will get all of the most important fatty acids and antioxidants in a balanced ratio.

Soft fats in an easy-to-use form.
