Bilberry

Bilberry is the dark blue treasure of the forest – mild, fresh and full of nature's own power. A berry-rich and vibrant addition to your daily wellness routine.

Bilberry

was chosen as the berry of the year in 2013 in Finland. It is our best-known super-berry. Wild bilberries are more nutrient-rich than cultivated blueberries.

Bilberries

Blueberry is one of nature's most beloved berries. Its softly berry-rich taste and fresh forest character bring a genuine, nature-inspired feel to the product – simple, pure and inspired by Finnish nature.
